

You must include this Form if your application concerns a child who is of the age of majority or over. The age of majority is 18, 19 or another age, depending on the law being applied in your circumstances.

When a child is at or over the age of majority, the court needs information to show that he/she depends on the parents for support. This Form provides that information. Include a separate Form J for each child who is at or over the age of majority, according to the relevant law.

### Filling out the Form

#### Section 1

##### Child's full name and date of birth

Begin by filling in the full name and birth date of the child for whom you are claiming support.

#### Section 2

##### Details of child's living arrangements

Describe the child's living arrangements, providing as much information as possible.

### Tips

- The Forms you submit as part of your application will organize your information for the court. You should include as much information as possible so that the court can make an informed decision.
- All support order applications require you to complete either Form A.1 or A.2.
- Use the tables included in the Introduction and General Information Guide or the tables on website, to determine the additional Forms you need to complete. Visit: [www.nsfamilylaw.ca/child-support/iso-interjurisdictional-support-orders/iso-forms-guides](http://www.nsfamilylaw.ca/child-support/iso-interjurisdictional-support-orders/iso-forms-guides).
- Use a working copy and a final copy when completing these Forms. To ensure that the final copy is neat and legible, only complete the final copy when satisfied with your responses.
- Include all copies of receipts, documents and other evidence that will help prove statements and claims you make. Documents provided will form part of the evidence for the matter and cannot be returned.
- Receipts and documents may contain address information that you may wish to remain confidential. If you choose to conceal the address information, ensure that you keep the originals in case the court requires that you provide them.
- After completing all of your Forms, you must swear to the accuracy of all the information that you provided – just like if you were in court providing the evidence in person.
